Problem In Your Life?

“Say to this mountain, move from here to there, and it will move.”

Matthew 17:20

There comes a time when we must quit talking to God about the problems in our life and start talking to the mountain about our God. You proclaim **His** power, you declare **His** sovereignty, you affirm **His** faithfulness, you stand on **His** Word. You cling to **His** promises.

Goliath led an entire army captive through fear. His weapon was intimidation, and that is how our enemy operates. He prowls around like a roaring lion, but the important word is like. He is an imposter. Jesus **is** the lion of the tribe of Judah, and when He roars everything is shaken. All authority under heaven and on earth is His. We are His children. Why don't we live like it, love like it, give like it, and serve like it?

If God is for us, who can be against us?

I can do all things thru Christ who strengthens me! The one who is in you is greater than the one who is in the world. In all things God works for the good of those who love Him, who have been called according to His purpose.

What did Jesus do when Satan tempted Him in the wilderness? He fell back on the Word of God! And He was not just defending Himself; He was delivering blows by citing chapter and verse.

We need to quit playing defense and start playing offense. We need to quit letting our circumstance get between us and God and let God get between us and our circumstance. We need to stop talking to God about our problem and start talking to our problem about God!

God Bless,

Paul
